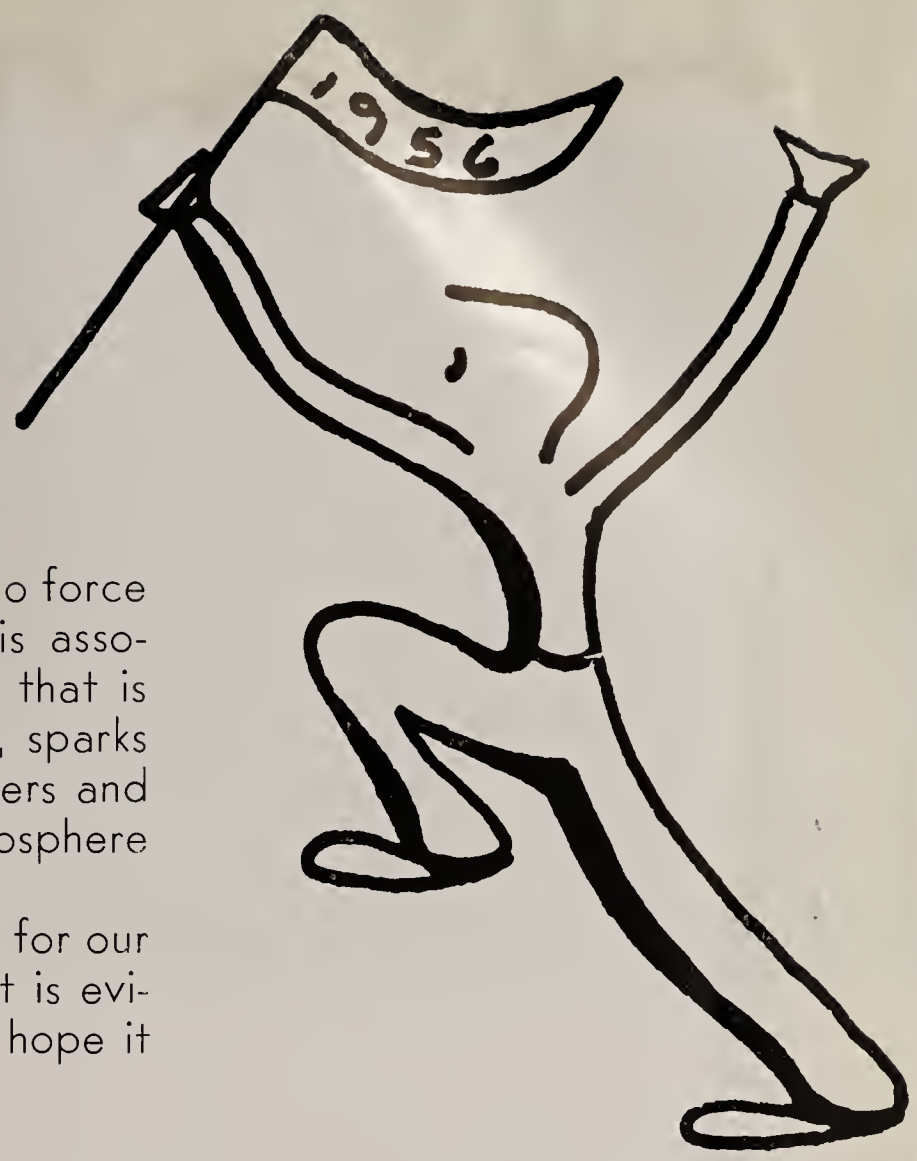
School Spirit



School spirit is intangible, but yet no force is more powerful in our school. It is associated in some way with everything that is done. It pushes us on in our studies, sparks our teams, and makes us proud winners and good losers. It creates a friendly atmosphere both at home and away.

School spirit includes our affection for our school and our faith in our school. It is evident in every activity; therefore we hope it is in our yearbook, too.

Students head in all directions after school.

A misty morning view of the field house.

Snow etches a school scene.

The sun spotlights the stadium.

Dedication

We, the editors of Tabula, proudly dedicate this book, symbolizing school spirit, to a man who himself symbolizes the spirit of our school. Mr. Robert S. Woodruff, mathematics teacher and former athletic coach, has earned the respect and affection of all who know him, or have known him in his twenty-eight years here.

Mr. Woodruff came to Oak Park and River Forest High School in 1928, after receiving his Bachelor of Arts degree at De Pauw University and teaching in several Illinois high schools.

In his math classes, Mr. Woodruff's encouragement and individual interest in every student create a desire for learning that grows under his competent instruction. Because of his skill in explaining complicated higher math in an easily understandable way, Mr. Woodruff's classes are informal and enjoyable as well as challenging.

In the past, Mr. Woodruff has acted as a coach of track and football, and while not now coaching, he is still a familiar figure in the fieldhouse, for he officiates at meets and shows a real interest in the boys and their teams.

Because of his calm and steady manner, Mr. Woodruff immediately commands the respect of everyone who knows him. Shining through his sedate exterior is a relaxed and easy-going personality that puts everyone at ease. His quiet sincerity, his constant willingness to give generously of his time, and his never-failing good humor win the friendship and gratitude of all his students.

To Mr. Robert S. Woodruff, a capable and understanding teacher, a sincere and friendly person, a fine example of the spirit of our school—to you, Mr. Woodruff, we are proud and happy to dedicate our book.

Mr. Robert S. Woodruff

Administration and Departments

Superintendent

Dr. Youngert.

Dr. Eugene Youngert, Superintendent, is the administrative head of Oak Park and River Forest High School. He works always for the good of the students and the community by holding and improving the high standards of the school. Under Dr. Youngert's leadership several departments now provide college-level work for gifted high school students. As the adviser to Student Council, Dr. Youngert keeps in close contact with the students' point-of-view on all those affairs which directly concern them.

In addition to directing the activities of the school, Dr. Youngert is a member of several top-ranking national commissions in the field of education, and he attends many national and local meetings on education. All in all, Dr. Youngert's widely recognized ability has brought added prestige and distinction to Oak Park and River Forest High School.

Business Supervisor

Mr. G. Alvin Wilson, Business Supervisor, works with Dr. Youngert and the Board of Education on financial policies of the school and on the school building program.

He supervises the maintenance work necessary to keep the buildings comfortable and attractive, and during recent years when the buildings have been extensively remodeled and improved, he has carefully and skillfully directed the work being done and has correlated it with the over-all plans for the future.

Mr. Wilson is on the Board of Directors of the National Association of School Business Officials, and is active also in the state and local organizations.

Mr. Wilson.

The communities of Oak Park and River Forest are genuinely interested in good education, and the men and women elected to the Board of Education are well qualified to further the effectiveness of our school.

Board members give generously of their time and thought to maintain and to develop a high school that offers a wide variety of subjects and activities designed to meet the needs of every student and to develop talents and interests.

The Board not only provides for present needs but also plans carefully so that the excellence of the school may be continued in the years ahead.

The English Department . . .

The aim of the English Department in the Freshman, Sophomore, and Junior years is to provide training in language skills and to build an increasing appreciation of good literature. As credit for the Senior year, the student may make his choice from electives that include English Literature, English Readings, Creative Writing, Expository Writing, Journalism, Senior Composition, and Public Speaking.

In addition to the regular course in English, the department has adopted a course of study for slower pupils and an accelerated program for well-qualified and carefully tested students who have the ability to cover more than the usual high school work.

The History Department . . .

The History Department offers a number of courses in both early and modern history. Credit in American History and in either Early European or World History is required for graduation.

In the American History course an extensive study of the federal government, Illinois state government, and local government is made in order to familiarize the students with the governmental procedures in this land. The rest of the course is devoted to a study of the growth of our country.

Although the Social Studies classes are a part of the History Department, they form a separate branch. The courses in Sociology, Social Problems, and Community Civics are elected by those students interested in the study of human relations.

Classwork includes discussion of social, marital, community, and other problems that are of concern to teen-agers.

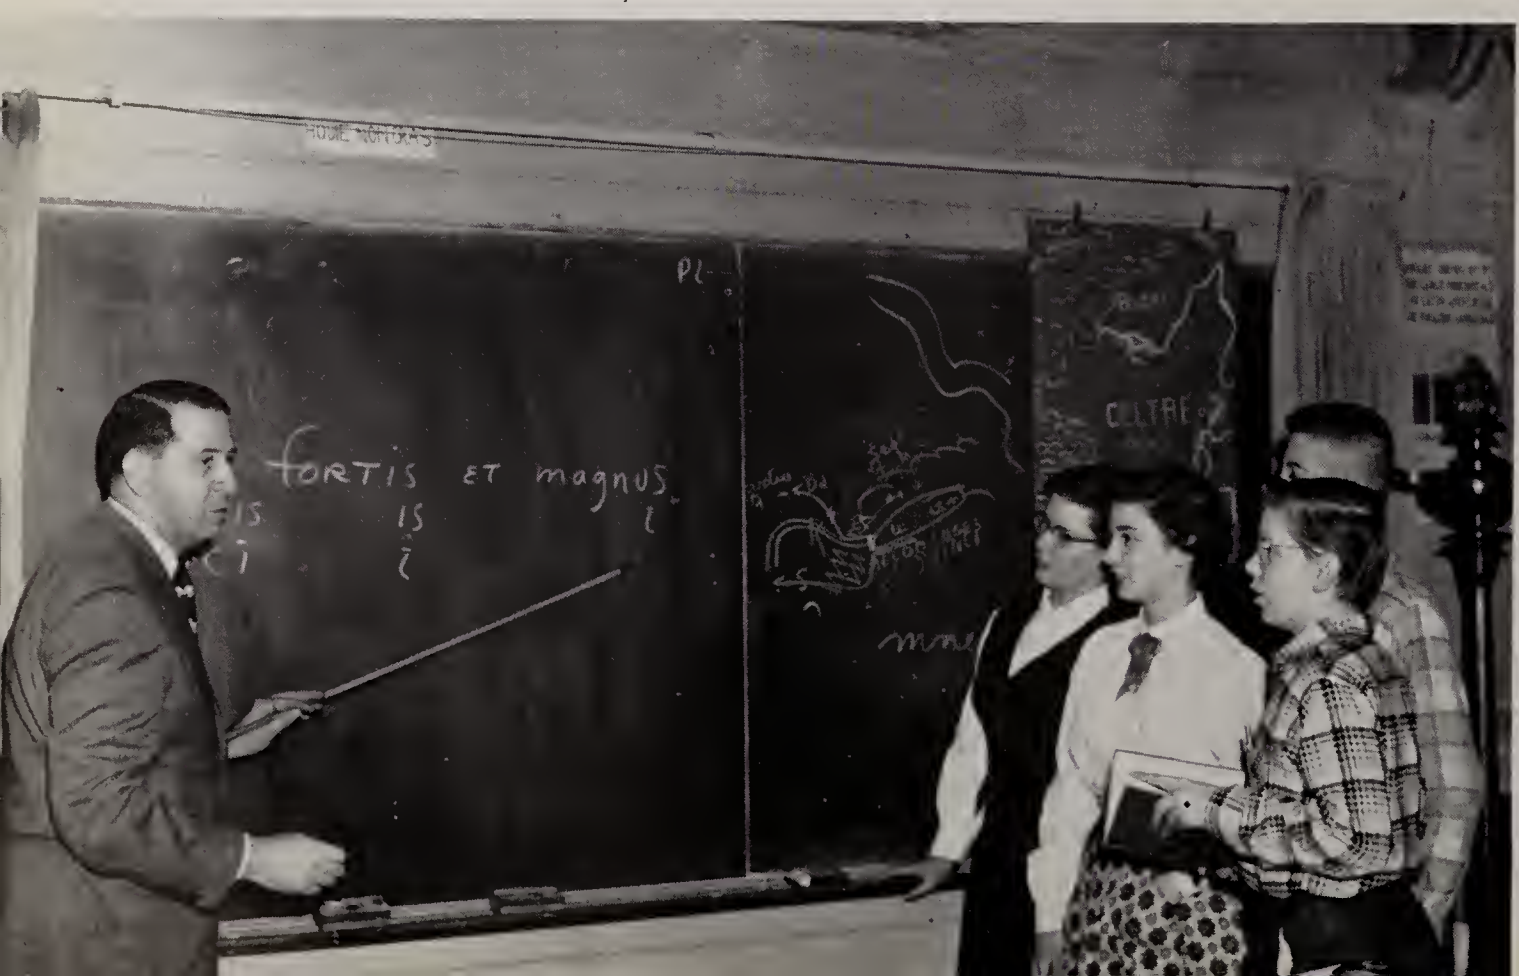
The Foreign Language Department Brings Other Cultures . . .

Members of Mr. Baker's first-year Latin class "decline" like old Romans!



Two years or more of French, German, Latin, and Spanish are offered by the Foreign Language Department, with emphasis placed on pronunciation and comprehension. A study is also made of native songs, history, and customs. Class work includes the reading of novels, poems, essays, and short stories in the foreign language being studied, especially in the advanced classes.

Accelerated courses are offered in Spanish and French. The students in these accelerated courses work more with vocabulary and grammar than do the regular and fourth year classes.

For greater practical use and understanding of these foreign languages, "Linguapolitan," a magazine written by students in the Language classes, is published to provide an opportunity for students to gain skill in writing and reading other languages.

The Mathematics Department provides varied courses covering fundamental through advanced problems. One unit of Algebra or General Mathematics is required of every student for graduation from high school. Among the courses offered are Plane Geometry, Advanced Algebra, Solid Geometry, Trigonometry, College Algebra, and Shop Mathematics.

Accelerated Mathematics includes the study of Plane and Solid Geometry during the Sophomore year, and College Algebra and Trigonometry during the Junior year. In his Senior year an accelerated student may study more College Algebra, Analytic Geometry, and the Calculus.

The increasing importance of scientific developments in the world today makes the Physical Science Department a center of enthusiastic training for the work of tomorrow. The Department offers Chemistry, Everyday Chemistry, and Physics to Juniors and Seniors and Physiography to Sophomores, Juniors, and Seniors.

The Chemistry course stresses the study of nuclear energy, while Everyday Chemistry gives a common approach to chemical principles. Physics covers the basic relationships of the objects in the world around us, and in Physiography the student analyzes maps and weather conditions.

Every student must take either Freshman Science I-B, the semester course, or Freshman Science, the year course. In addition, one unit of either a Biological or Physical Science is required for graduation.

If a Biological Science is chosen, it may be taken from one of the following: Biology, Botany, or Zoology. In Biology the students get acquainted with the main life activities shared in common by human beings, animals, and plants. In Botany they study the structure and life processes of different plants. In Zoology they learn about the structure and the processes of various animals.

To Seniors the department offers a semester course in Personal Psychology.

Training in many phases of the visual arts is offered by the Art Department to students with majors, minors, or electives in that field.

Art I and II and Crafts give the student background for more advanced work. These classes meet two periods a day for one semester, but it is possible to take a year course in Art I.

The more advanced students may take Figure, Painting, Sculpture or Advanced Design to develop creative thinking and to learn to make decisions in everyday living.

The Business Department . . .

For the student who is planning to enter the commercial field, the Business Department offers a wide variety of courses which will give practical training for the future. Although Freshmen may take General Business, and Sophomores may learn typing skills in Typing I, it is largely the Juniors and Seniors who take the other business courses.

Typing, Stenography, Bookkeeping, Office Practice, and a course in Secretarial Training round out the practical aspects of the business program. Background studies include Business Law, Economics, and Economic Problems.

The Home Economics Department . . .

High school girls are interested in the future, and for most this means planning for a home. The Home Economics Department offers a wide variety of courses in Clothing, Foods, and Home Management.

In the Clothing classes the girls learn basic ideas about making, caring for, and selecting clothes. The girls also study good grooming and ways to improve personality. Budget and wardrobe problems are tackled in the more advanced Clothing classes.

The three Foods courses emphasize the most modern methods of canning and freezing foods, train the girls in the preparation and serving of meals, and, most important, show the health value of foods. The girls also learn about the household budget.

In Home Management, open to Juniors and Seniors, the students consider family relationships, finances and nutritional effects of food. The final six weeks of the course are spent in the study of home nursing.

Industrial Arts is a study about industry, its materials, tools, machines, processes, products, and occupations. The more a student knows about the workings of American industry, the more appreciation he has for American culture. The more he knows about materials and processes used by industry, the better he understands the manufactured products, and the better he can exercise consumer judgment. Today we live in an environment in which industrial influences dominate the nature of the products we use or the kind of work that provides our livelihood.

To those interested in Industrial Arts many courses are open, such as Industrial Arts I & II, Advanced Metal, Machine Shop, Auto Shop, Advanced Woodworking, Mechanical Drawing, Machine Drawing, Architectural Drawing, and Metal Arts. Metal Arts and Jewelry is a course open to both boys and girls.

Student assistants and members of the Library Practice classes help the librarians, learn library skills, deliver overdue slips, and work in the history study-hall library.

The Music Department . . .

The Music Department offers courses in vocal and instrumental music, theory, and literature.

In General Music, open to Freshmen and Sophomores, basic introductory material is presented to acquaint students with the main elements of music.

Students with a good piano background may elect Harmony, in which fundamentals of four-part writing, ear-training, and keyboard work are stressed. Those who have taken one year of Harmony are offered a Music Literature course. A second year of Harmony is given from time to time when enough students to form a class elect it.

The Boys' Physical Education Department provides a complete program of games, sports, and body-building exercises. A staff of experienced coaches and teachers gives excellent instruction and guidance.

Among those sports offered in gym classes are the following: basketball, touch football, tennis, wrestling, tumbling, apparatus, badminton, soccer, speedball, track, handball, flickerball, volleyball, swimming, and golf.

Requirements include a Red Cross First Aid course for all Seniors and Life-Saving classes for Junior boys. The department sponsors many intramural activities and is co-sponsor of the annual Gym Demonstration.

The department also sponsors the annual Dance Demonstration and is co-sponsor, with the Boys' Physical Education Department, of the Gym Demonstration.

Our Driving Course . . .

Watch the road!

Looking ahead to a world of ever-growing, congested traffic, the students of Oak Park and River Forest High School plan for the greater need for safe drivers by enrolling in the Driving Course. The Driving Course offers any sixteen-year-old student a chance to learn good driving habits through the study of auto operations, correct techniques of driving, traffic laws and regulations, and safe practices.

Although all the actual road work is done with the student's parents, he gets the feeling of being behind the wheel without the consequences of mistakes by using the Aetna Drivotrainers.

. . . And . . . Our Work in Reading . . .

A student may greatly improve the quality of his school work by improving his reading. A non-credit course designed for this purpose is offered to every Oak Park student. With the use of modern machinery, texts, and methods he may raise his reading rate or comprehension, depending upon his personal needs.

The record of the past success of this course in aiding students should provide an inspiration to future students with reading handicaps.

Mr. Dehl directs work in reading.

Harry Joseph prepares for a busy day in the projection business.

The Projection Staff . . .

The Projection Staff is busy every day showing films which present in tangible form subject material that is supplementary to many courses, including science, industrial arts, languages, history, and home economics.

Staff members work under the direction of Mr. R. E. Park in the operation of the extensive visual education equipment owned by the school. Their work includes showing films in our two projection rooms and performing assigned tasks necessary for the good projection of these films. After the boys have served for two years, they receive a school credit.

Much of the making and enforcing of school rules is done by the students themselves, with the responsibilities of government handled by various councils, each of which performs specific duties.

The primary council is Student Council, made up of representatives from each of the four classes. The purpose of the Council is to give the students a means of expressing and carrying out ideas that will make our school better.

This year, as a result of Student Council activities, a mixed cheerleading squad was organized for the first time, and buses were chartered to take students to the "away" basketball games to increase attendance. Both of these projects were instrumental in promoting school spirit.

. . . Represents All Classes

Doopers enjoy their new way to get to basketball games.

Smoking Council . . .

The purpose of Smoking Council is to enforce the rules pertaining to smoking in the vicinity of the school. In order to keep the appearance of the school presentable and pleasant, and to set a good example, smoking is forbidden within the buildings or near the premises. This rule is rigidly enforced by the Smoking Council.

Smoking Council is made up of boys from both the Junior and Senior classes elected to the council by their classmates, who recognize in them strong qualities of leadership. A court is maintained by them in Room 221 to try and punish offenders of the rule. The Smoking Council is unique in that it has no faculty supervisor.

The primary function of Safety Council is to make our school a safer place. The Council, which includes students from every class, is divided into six committees. Hall Committee keeps students from running in the halls; the Driving Committee enforces the rule against students' driving to school; the Bicycle Committee sees to it that the Signs Committee posts the traffic signs; and the Program and Publicity Committee plans safety assemblies and makes safety posters.

Every Girl In School...

Since every girl in the school is in Girls' Club, the Girls' Club Council was formed to make the handling of its affairs less unwieldly.

Among the activities of the Club this year were the Girls' Club play, Tag Day, New Girls' Party, the Big and Little Sisters' Party, and three Girls' Club assemblies.

The Girls' Service Committee, one of the standing committees of Girls' Club, is made up of members from all four classes. The vice-president of Girls' Club is an ex officio representative of the Girls' Service Committee. The purpose of this committee is to promote friendliness among the girls in the school.

The various divisions include the literary committee as well as the noon duty, lunchroom, and equipment committees.

Junior Deans check vocational tests.

Vice-president—
Basil Demeur

The step into the Junior year is a step into the upper-class bracket and many new phases of high school life. This is the first year that a student may buy a class ring, join upper-class clubs, elect class officers, and try out for the Girls' Club Show. Interest tests and vocational guidance help the Junior make preliminary decisions about his future.

... Leadership at School

Tenny Stannard starts an early investigation of college possibilities.

The Junior class of '56 has made a fine record in carrying out these new privileges and responsibilities.

Miss Emada Griswold, acting Dean of Girls, and Mr. Keith Cady, Dean of Boys, directed an extensive testing program.

Sally Brenner, Gail Hatch, Jane Urban, and Grace Osgood compare class rings.

Gail Hatch, Sue Townsend, and Denise VanStone work on Prom preparations.

Responsibilities Develop . . .

In early spring the members of the Junior class began a hustle of secret excitement as they prepared for their annual tribute to the graduating Seniors, the Junior Prom, on April 21. Green and silver were chosen as the colors, and with artistic flourish were used to create a perfect scene for the Prom theme, "Springtime Serenade."

The mental pictures of this Prom will undoubtedly be carried by the graduation class of '56 as one of their most cherished high school memories.

Happy faces reflect Prom's success.

Members of the class of 1956 recall with pleasure the memorable experiences that form a part of their high school years. They are proud of the leadership exhibited by their class officers and scholarship winners. Especially do they remember the outstanding events of their Senior year, such as the introduction of girl cheerleaders, Student Council buses to basketball games, the first Student-Alumni Dance, and a new record for the Tag Day collections.

Although they look forward enthusiastically to the future, they will treasure their enjoyable years at Oak Park and River Forest High School, where they first learned the true meaning of school spirit.

Assemblies . . .

Beaming Janet Cook receives Scholarship cup.

Perhaps the most painless and enjoyable part of an Oak Park and River Forest High School student's education is attending the third period assemblies scattered throughout the year. These programs, which are designed to inform and entertain, include Girls' Club, Safety Council, Scholarship, Monogram, and Class assemblies.

Highlights of this year's schedule included such speakers as Miss Vilma Barretto from India, who entertained the Girls' Club with an enchanting description of her country. Mr. Wagus, Spanish teacher here at Oak Park, also delighted a Girls' Club audience by sharing many features of his hobby,

the American Indian. Members of the individual classes will always remember those assemblies which were planned to better acquaint them with the deans, and the goals they hope each student will try to achieve. Finally, for those who had worked diligently to make outstanding scholastic records, the annual Scholarship assembly and the announcement of Janet Cook's winning of the Scholarship Cup presented a tense and exciting moment.

The ingredients of careful thought and preparation, which have always been the recipe used to plan these assemblies, have brought a consistent result of excellent programs.

Girls' Conference . . .

The theme for the 1956 Girls' Conference, "A Faith to Affirm," was developed into an inspirational program by the hard work of many girls under the leadership of the conference officers and their advisers, Mrs. Sutherland, Mrs. Synnerdahl, and Mrs. Smith.

The speakers chosen to interpret the theme in the program were Rev. Lewis, who spoke Friday night and Saturday morning on "Faith in God" and "Inner Faith," and Dr. Humbert, who spoke Sunday afternoon on "Faith into Action."

These excellent speakers succeeded in bringing real meaning to the conference theme "A Faith to Affirm."

"Boys Today . . . Men Tomorrow," the theme of this year's Boys' Conference, was chosen by the officers with the aid of their advisers, Mr. Cady, Mr. C. E. Winchell, and Mr. H. Ward. Selected to convey the message inspired by this theme were Dr. Robert W. Gibson, Mr. D. Gerhman, and Dr. Hubbard, who spoke at the Friday evening, Saturday evening, and Sunday afternoon sessions, respectively. The programs, featuring these fine speakers and flavored with the many contributed talents of the boys, were a credit to the superb record of past Boys' Conferences.

Dr. Ralph E. Lapp considers "The Promise of Atomic Power."

In the relatively new Atomic age a growing curiosity exists about the importance of the atom and its various possibilities. This is true especially in the minds of youth, whose futures will be most influenced by the new development. In accordance with this interest, the theme "Challenge of the Atom" was selected for the 1956 Conference on International Affairs.

The officers, under the direction of Mr. Buske, their adviser, secured two able speakers to discuss the theme in an inspirational program. The speakers were Captain Mott of the United States Navy, who spoke on "The Problems of Atomic Defense," and Dr. Ralph E. Lapp, a scientist, who discussed, "The Promise of Atomic Power."

Publications Speak for the School

Babs, Miss Shuart, and John check copy.

Trapeze, the school newspaper, is published weekly and distributed to subscribers on Thursday mornings. In its eight pages each issue contains news stories, features, sports, columns, editorials, and pictures of school events. Each week an outstanding Senior is honored by being selected to appear in the "Spotlight."

The "Trap" Staff, made up of students in the upper three classes, meets every day during third period under the direction of Miss Shuart. It is staff responsibility to write and edit copy, count headlines, measure the pictures for the engraver, read proof, paste the dummy, and check page proof.

The Cub Staff, which includes Freshmen eager to learn the various facets of producing a paper, meets every Thursday after school. The "Cubs" handle the mailing of Trapeze to a total of twenty-one states.

Advisers

Crest Advisers Miss Bane, Mrs. Scherman, and Mr. Rakow inspect manuscripts.

Crest, the literary magazine, is published twice each year through the combined efforts of the three Crest staffs, which look over material submitted by many student writers. The Junior-Senior staff selects the final manuscripts. The use of Crest for work in English classes is a necessary and interesting consequence of its being subsidized financially by the School Board.

This year Crest reduced the size of its pages and adopted a new style of type. These changes met with popular approval and served further to enhance the appeal of the magazine.

All three staffs meet during sixth and seventh periods daily. Mr. Rakow directs the Junior-Senior staff, while Miss Bane and Mrs. Scherman supervise the Sophomore and Freshman staffs, respectively.

Ann and Elmer go over the dummy with Miss Shuart and Mr. Rehkopf.

The Tabula staff meets every day during the sixth and seventh periods to work on the yearbook. This includes planning the lay-outs for the pages, scheduling pictures, deciding on the theme, designing a cover, working on the "dummy," writing copy, reading proof, and organizing the index. All the hard work seems well worth while when, in early June, the finished yearbook makes its much-anticipated arrival.

Miss Shuart and Mr. Rehkopf supervise the staff, and Mr. Keller directs the scheduling of the formal Senior pictures.

The Tabula Publishing Board, meeting every day during third period under the supervision of Mr. Hepker, handles the business affairs of the school's publications—Crest, Trapeze, and Tabula.

There are three main divisions of the Board. The advertising staff obtains advertisements from local merchants. The business staff handles all publication finance. The circulation department has charge of the ordering and distribution of the three publications.

Few people realize the amount of work done behind the scenes by the members of Tabula Publishing Board. A great deal of credit must go to these students for making successful publications such an important part of our school life.

Linguapolitan . . .

Editors Pat Segur, Roger Jones, and Phil Nelson look over "Lingua" with Miss Geller.

Linguapolitan, the new foreign language publication, first appeared in the fall of 1954. Published twice yearly, it features prose, poetry, crossword puzzles, and games in French, German, Latin, and Spanish. All writing is done by members of the language classes.

"Lingua" provides the student with an opportunity to read and write material in the foreign language which he is studying, and gives him a chance to compare that tongue with the other three, in addition to English.

Phillip Nelson was this year's Editor; Pat Segur, the Associate Editor; and Roger Jones, the Honorary Editor. The advisers are Miss Geller, Miss Rosenhainer, Mrs. Soroka, and Mr. Baker.

One of the most thoroughly enjoyed of the annual plays given by the Girls' Club was presented on November 4 and 5 under the direction of Miss Dorothy Miller.

"Arsenic and Old Lace," by Joseph Kesselrings, revolves around Martha and Abby Brewster, elderly spinsters living in their Brooklyn family home. Out of "kindness and pity" these ladies "rescue" old men from loneliness by serving them poisoned elderberry wine!

Among the amusing and chaotic happenings in the odd household, was the humorous cry "Charge!" given by a stair-climbing nephew who thinks he is "Teddy Roosevelt." Several bodies hidden in the window seat are the source of many amusing complications.

An unexpected surprise was the hilarious curtain-call appearance of the "twelve victims," all faculty members!

"Take this Witherspoon!"

"There's a body in the window-seat!"

"Oh, it's Shakespeare!"

Stage Crew Handles Scenery, Lights

Members of Stage Crew spend many hours after school and on week-ends, under the direction of Mr. Radford, working backstage on all school dramatic productions, as well as on programs given in our auditorium by outside groups.

Every member of Stage Crew learns the fundamentals of staging, lighting, and care of the scene-shop from actual experience.

Many weeks are needed for the crew to build and set up scenery for a show. When the show is over, the scenery must be dismantled and filed in the scene-shop for future use. In addition, Stage Crew creates striking and beautiful lighting effects and manages other backstage mechanics.

Stage Crew props up a set.

Costumes

Mimi Kampp, Kathie Schilf, and Susie Townsend prepare costumes.

Committees Are Important . . .

For many weeks before a play is presented, committee members work behind the scenes every afternoon and Saturday. Without these people, of whom the audience is often unaware, there could be no show. Such committees as those concerned with costumes, properties, and tickets co-operate diligently to make the completed production run smoothly.

"Howay La Rue! You didn't wash!"

"Mrs. McThing," a fantasy by Mary Coyle Chase, was presented on May 4 and 5 as this year's Senior Class Play. The show was directed by Mr. Harold Radford.

All action takes place in two settings: a room of a mansion and the Shantyland Pool Hall Lunchroom. The plot concerns people who, because of a witch's dislike for them, are replaced by "stick-people without feelings or emotions." From weird happenings come many entertaining situations.

A highlight of the play is the terrific dread one of the Shantyland mobsters has of his mother. The audience found the sight of this frail woman pushing tough gangsters about the stage very amusing. The antics of a dancing waiter and a musical chef also brought many laughs.

The Concert Band is an active organization under the direction of Mr. Frank Kratky, who also directs the Marching Band. Each year the Concert Band presents a Winter and a Spring concert. In the first concert Pat Joslyn, Barry Smith, and Carol Langefeld performed in a Handel concerto grosso, and Bill Moore played a trombone solo by Bizet. The Concert Band also plays for the basketball games and the Physical Education Demonstration.

The Marching Band provides the half-time music and entertainment at the football games. Marching Band consists largely of the same members as Concert Band.

Ensembles made up exclusively of band members are the brass sextet and the clarinet quartet.

The Symphony Orchestra, under the direction of Mr. Harold Little, gives many performances during the year.

The orchestra presented its first concert in November. Soloists included Sue Covich and Sandra Sizer, violinists, and Steve Crosby, pianist.

In the Spring Orchestra Concert the first half of the program was made up of Mozart numbers, in commemoration of the 200th anniversary of the composer's birth. Gen Shea, on the French horn, and Ron Braming, on the clarinet, played solos by Mozart. In the second half of the program, Jeanette Simpson, pianist, and Nancy Grawemeyer, violinist, were soloists.

The orchestra also played for Vespers, Choral concerts, the Girls' Club show, the operetta, Baccalaureate, and Commencement.

Concert Soloists

Sue Cullen, Priscilla Long.

The A Cappella Choir is one of the most active vocal organizations in the school. Miss Edna Ruth Wood directs the group, which presents the Christmas Vespers and the operetta.

Vespers is a service of sacred Christmas music. Included in the program this year was the oratorio, "When the Christ Child Came." The nine soloists were Merritt McCall, Richard Walker, John Maypole, Thomas Constable, Bruce Brenner, Marion Gronke, Barbara Raymond, Sue Cullen, and Lonnie Napolitan. This year the operetta was "H.M.S. Pinafore." It was given three times early in March, once as a special performance for music educators in the Chicago area.

A Cappella takes part in the Christmas and spring choral concerts and often performs for other school and community functions, including Baccalaureate, and the Easter Sunrise Service.

The operetta presented this year by the A Cappella Choir was "H.M.S. Pinafore." Hard work by the cast, chorus, advisers, committees, and orchestra helped make the operetta, staged on March 2 and 3, a great success.

Miss Edna Ruth Wood was the director, Mr. Harold Little the conductor, and Mr. Harold Radford the dramatic director. Miss Dorothy Miller, dance director, coached Peder Knudson in a hornpipe that proved popular with all audiences. Mr. Arthur Pelz worked on scene design and painting, while Mr. James Kendall was in charge of scene construction.

As a result of the combined efforts of cast and directors, many will long remember with pleasure the adventures of "sweet little Buttercup," "the gallant captain," and all of the cast.

Go Huskies!

For the first time in the history of Oak Park and River Forest High School, a mixed squad led the cheers at athletic events this year. After a series of try-outs in which over forty girls competed for positions on the squad, eighteen girls were chosen to join the boys on the Varsity and Sophomore squads. On each of the squads some of the girls were alternates.

Durrette Matchett, captain, Dorie McCain, Jill Moorshead, Pat McIntyre, Carol Nagy, and Janet Besinger, along with Don Camp and Doug Brown, cheer at the Varsity games. The two alternates are Marilyn Hallam and Leni Spranger.

On the Sophomore squad are Gayle Hatch, captain, Val Von Plachecki, Sandy Deckert, Gail Collor, Sally Bockwinkel, Ginny Laadt, Ron Sides, and Dave Shoup. Karen Minkey, Karen Richardson, Pat Joslyn, and Sally Brenner are alternates.

This year's Huskies had a fine season, though the scoreboard didn't indicate it. Although they had to accept fourth place in the Suburban League, they triumphed over Waukegan and Morton, avenging last year's defeats. Other wins over La Grange, Highland Park, and Proviso, a tie with Niles, and losses to New Trier and Evanston (the League leaders) rounded out the '55 season.

Halfback George Rantis and guard Bruce Worswick were elected to the first All-Suburban Team, and Rantis was also an all-state selection by virtue of his 90 points in League play. Backs Roger Horsky and Dennis Stone, and Linemen Paul Koster and Roy Irish made the second All-Suburban Team.

The team, coached by Mr. Wehrli, who was ably assisted by coaches Ebel and Doolittle, upheld the fine tradition of Oak Park football.

Scoreboard Shows . . .

Oak Park 19	La Grange..... 6	The Huskies' first game was a one-sided victory, which gave their followers an optimistic outlook for the season.
Oak Park 45	Highland Park.....28	Another one-sided victory; Horsky's six TD passes were the high points of the afternoon.
Oak Park 13	Evanston 26	A tough loss to a good team; after an even first half, 13-13, the Huskies relaxed, and the Kits scored twice to win.
Oak Park 27	Morton 0	The team avenged last year's defeat by shutting out the Mustangs. A TD in every quarter gave Oak Park its second League win.
Oak Park 20	New Trier 40	Twenty points in the first seven minutes of the game gave New Trier a lead it never gave up. Oak Park came back, but it couldn't go the distance.
Oak Park 26	Waukegan 13	THE game of the year! A tremendous second half showed the Huskies' great potential. Waukegan beat both New Trier and Evanston.
Oak Park 20	Niles 20	On a slippery, rain-soaked field, the Huskies tied a surprisingly tough Niles team. Rantis tallied for two muddy TDs.
Oak Park 28	Proviso 19	The team's last game was a decisive win over the traditional rivals from across the river. Rantis' three TDs gave him a record-breaking total of ninety points in League play.

Soccer Team Places Third in State

Dymit saves.

The soccer team, under the direction of Coach Paul Hawk, had a very successful season. The Hawkmen finished with an impressive record of five wins, two losses, and three ties. This record was good enough to rank the team third in the state and to win the Suburban League championship.

The team tied Schurz one to one in its initial game. The improved Hawkmen then swept to three straight victories and a tie, against von Steuben, Morton, Schurz, and Tilden. Next they succumbed to a superior Lane team, seven to two. They rallied to defeat von Steuben and Morton and to tie Tilden again. The season ended with a second loss to Lane.

Coach Hawk was ably assisted by Mr. Witsman and Mr. Schell, who worked with the underclass team. At the end of the season John McCarter and Dick Dymit were elected as co-captains.

Cross Country Squad Wins Suburban League

The 1955 Oak Park cross country team had a very successful season, winning all of its five League dual meets. The team also won two and lost two non-League meets. The harriers, coached by Mr. Means, by virtue of their fine League record, won the Suburban League title, and placed fifth in the state.

Captain and record breaker Jim Kastner placed ninth in the state meet and won a medal in the Suburban League meet, as did Al and Dave Diman and Ron Campbell. Bob Taylor and Al Tevis were elected co-captains for next year's team.

The Sophomore thinclads had an overall season's record of four wins and five losses. Four boys won medals in the Suburban League meet, and Dennis Barile was elected captain.

Varsity Wins Ten Games — Loses Seven

Horsky jumps for two.

Oak Park's Varsity basketball team, slowed down by a midseason slump, earned a fourth place berth in the tough Suburban League. Coach Harry Kinert's Huskies finished with a regular season record of ten games won and seven lost. Losses to Hinsdale and Evanston started the season, but the Huskies came to life and won four League tilts, and three non-League games in a row. A loss to Proviso preceded the slump, in which the Huskies lost four straight games. Wins over La Grange, Proviso, and New Trier highlighted the season.

Co-Captain Rog Horsky, Huskie guard who finished sixth in Suburban League scoring, was selected on the first All-Suburban-League team. Earning Honorable Mention were center Rod Hartless and Co-Captain Don Danz, forward.

Huskies Place . . .

This year, as 719 Illinois high schools vied for the coveted crown of State Champion, Oak Park won the fourth place trophy. Of the teams competing in the Regional, Sectional, and Super-sectional tournaments, eight finalists qualified to play in the "Elegant Eight" at Champaign.

The Huskies started their march downstate by breezing through the York Regionals, posting impressive wins over Maine, 77-66, Leyden, 83-73, and Glenbard, 74-62.

Surging into the Hinsdale Sectionals, the Huskies edged out West Aurora, 64-60, in the first game. The final, against Joliet Catholic, was "nip and tuck" all the way, but the Huskies finally pulled ahead to win 71-66.

Capt. Horsky and Coach Kinert accept 4th place trophy at Champaign.

In the Super-sectionals the Huskies played a great defensive game to stop Bloom, 62-57, and earn a place on the "Elegant Eight."

Accompanied by almost 900 jubilant fans, the Huskies arrived downstate to play their quarter-final game against Peoria Central. Oak Park forged ahead in the early minutes of the game and steadily increased its lead to win 63-48. The Huskies, a smaller team, completely outjumped, outshot, and outplayed the Peoria team, earning the chance to play the Edwardsville Tigers.

Although the Huskies came close to catching the tall team, Edwardsville won 88-61. In the battle with Dunbar for third place, the Huskies, tired by the previous games, fought valiantly, but lost, 73-56. The Huskies finished fourth—behind West Rockford, Edwardsville, and Dunbar.

The team is to be congratulated for its excellent showing of spirit and sportsmanship throughout the tournament and deserves thanks for upholding the fine athletic traditions of our school.

Track Season Successful

The track team, under the direction of Coaches Wright, Noth, Slack, and Gummerson, had a very successful season. The Varsity thinclads won all of their meets except one, an early-season loss to Evanston. In both the Varsity and Frosh-Soph divisions, the Huskies took first place in the Suburban League Meet, and the Varsity placed second behind Bloom in the 26th annual Oak Park Relays.

This year's team included many individual standouts, among them Ken Handy and Jerry Brunner. Handy set a new high school record in the broad jump by jumping 22'5 and ¾", and Brunner did the same in the pole vault by vaulting 12'9 and ¾". Other standouts were half-miler Ron Campbell, miler Jim Kastner, shot putter Paul Morris, dashman Henry Wolf, and hurdlers Len Eisenstein, and Al Svarc.

Handy goes for a record.

The Oak Park wrestlers, now in their second season, were much improved over last year. The Varsity squad won two meets, against Morton and Wheaton, and lost fourteen. Three of the losses, however, were very close decisions.

Taking the season as a whole, Coach Schell thought the grapplers did a very satisfactory job. Co-captains Dick Parrillo and Paul Koster each gained a better-than-average status in matches wrestled. Koster and David Tregay were fourth in the District Tournament. Since Parrillo and Koster are the only two Seniors who wrestled regularly on the Varsity, next year's team should do quite well.

The Frosh-Soph squad, under the direction of Coach Doolittle, had a somewhat better record than the Varsity, with six wins and eight losses.

Swimmers Set New Records

The Varsity swimming team, under the guidance of Coach Scott and Coach Gaynor, had a fairly successful season, winning six and losing six dual meets. The team finished in a tie for third in the Suburban League with a record of four wins and three losses, and tied for twelfth in the State.

Captain Elmer Prueske broke the school record in the 100 yard breast stroke several times. He took the Suburban League championship in this event, and was Oak Park's only qualifier in the State Meet, taking second in the breast stroke. The Varsity team elected Dick Van Verst and George Olsen co-captains for next year.

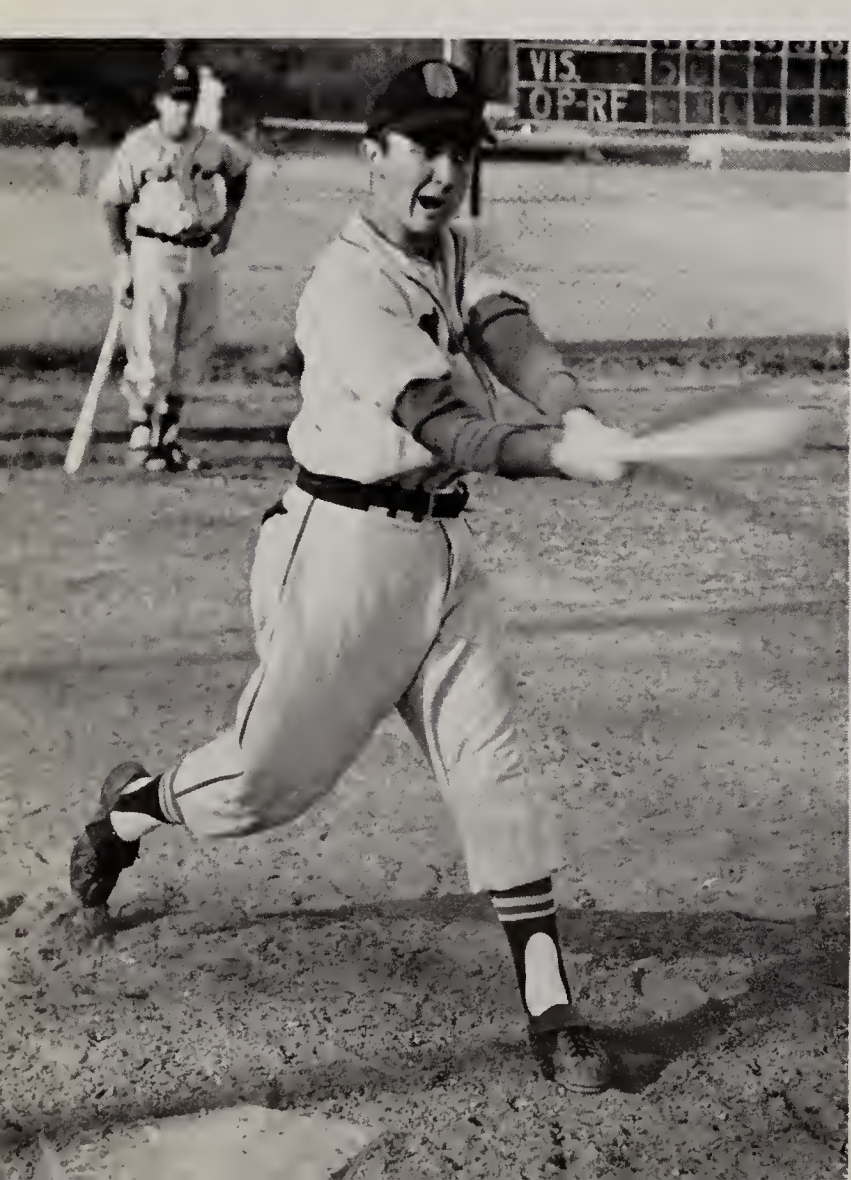
Spring Sports Begin . . .



Coaches Kaiser and Ebel had the nucleus of a fine baseball team this year. Though the outfield posts were hotly contested, Horsky, Irish, Shay, and Heath were expected to hold down the infield posts, with Rogers, Tomek, and Zillegen to handle the pitching. Several other boys from last year's team, and some boys from last year's sophomore squad, rounded out the team.

Mr. Swanson, Sophomore coach, and Mr. Hawk, Freshman coach, counted on the boys who learned individual skills by playing ball in the Pony and Little Leagues and in the Summer Baseball School sponsored by the Playgrounds.

After Spring Vacation

The Oak Park and River Forest High School tennis team, after winning seven straight state championships, took fourth place in the state last spring, 1955.

Returning this year from last year's team were four major letter winners, John McCarter, Brian Hughes, Paul Gervais, and Bob Becker. Around these four, Coach Rudy Witsman built his team with an eager, but inexperienced, group of Juniors and Seniors.

The team started to practice in the field house as soon as the basketball season was over. They continued practice through the Spring Vacation and started their schedule of meets soon after the recess.

The golf team, under the direction of Mr. Robert Wehrli, began its regular season immediately after Spring Vacation. During vacation the prospective team members played on an individual basis and handed in their scores to Mr. Wehrli. The team was then picked according to scores.

All home meets were held at the Oak Park Country Club after school, on a dual basis, and near the end of the school year the State Golf Meet was held at Champaign. Only golfers who have qualified in the district meets are able to compete downstate.

This season Mr. Wehrli had to depend on three returning lettermen, Senior Jay Haller, and Juniors Don Heppes and Neil Volkman, for winning scores. The team was rounded out by promising new golfers.

Members maintain order at games, pass out programs, and run the concession stands. Every year immediately before Spring Vacation, the club holds its annual Monogram Dance for all monogram winners. This year over 100 couples attended.

The officers elected for the 1955-56 sports year were Ken Handy, president; Tom Shay, vice-president; Elmer Prueske, secretary-treasurer, and Bruce Worswick, sergeant-at-arms.

Intramural Program . . .

The intramural sports program is open to all boys from gym classes who have not received major monograms in the sport in which they wish to participate. Intramural shields are awarded to winners in every sport.

The fall program includes swimming, touch football, tennis, flickerball, and handball. In winter track, bowling, ping-pong, water polo, and basketball are offered. The season is completed with badminton, volleyball, golf, soccer, softball, and wrestling.

The entire intramural program is carried out under the direction of Mr. Scott and Mr. Verchota.

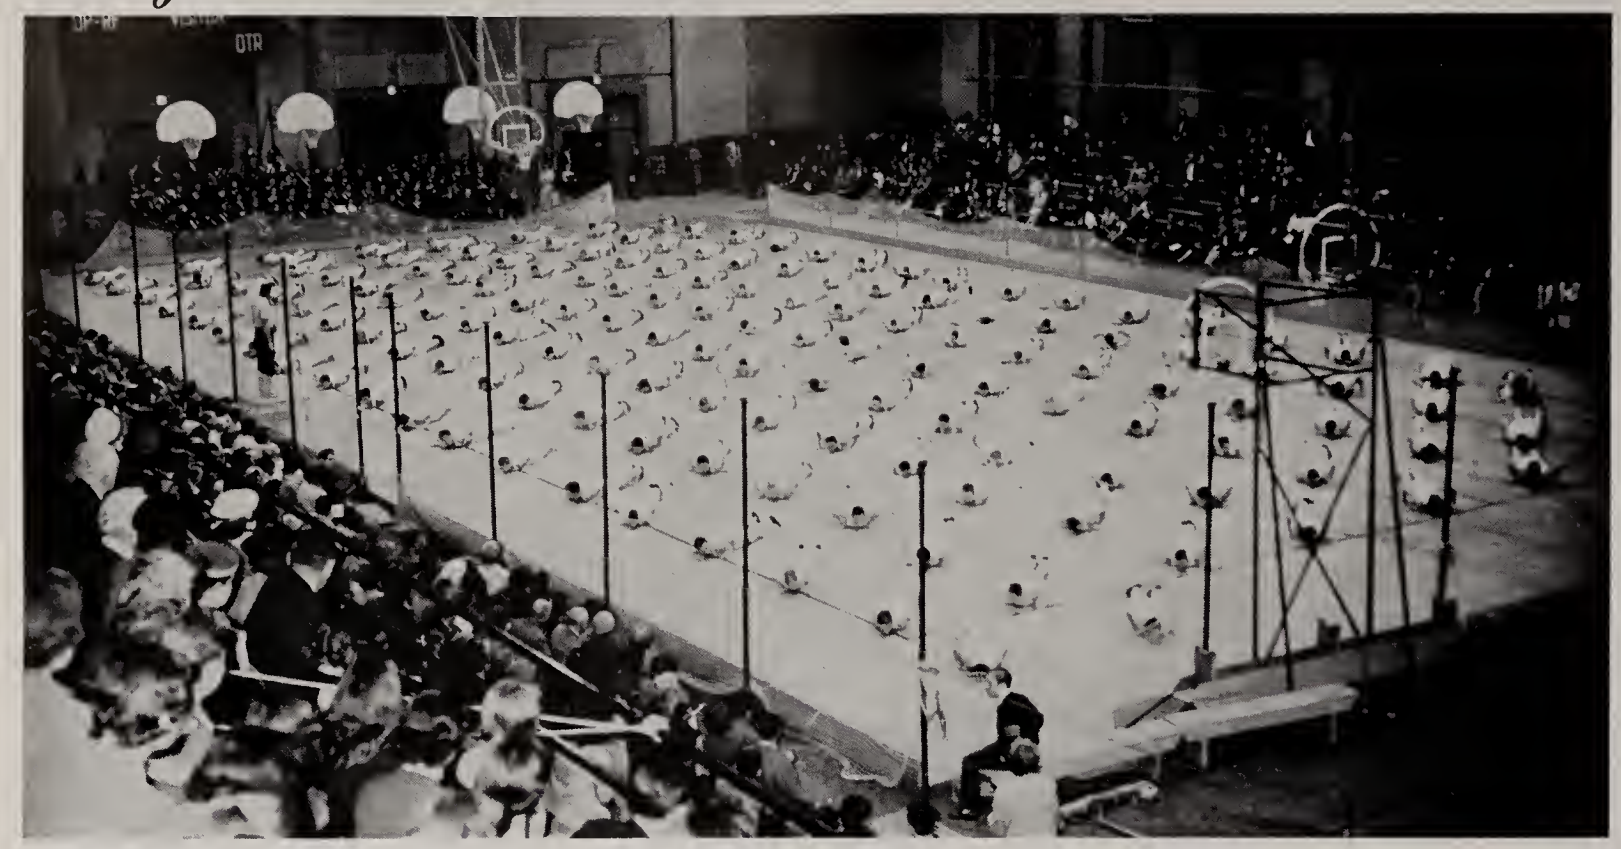
Physical Education Demonstration . . .



Boys do calisthenics for parents.

Held on January 28

The Physical Education Demonstration was presented this year for the twenty-seventh time in the history of Oak Park and River Forest High School. Parents, friends, and relatives of the nearly two thousand students taking part, viewed the work of the winter gym classes in the Boys' Fieldhouse. To music provided by the Band, girls demonstrated marching, rope jumping, rhythmical exercises, and modern and folk dances. The boys showed their skill in track activities, relays, tumbling, wrestling, games, and calisthenics.

All Doopers, with the exception of those in Swimming classes or on athletic teams, worked hard planning and practicing for this interesting exhibition.

Girls' Sports Provide Recreation

Varied Activities . . .

Hockey

Hockey proved to be a lively and highly competitive sport in classes during the fall quarter. The game combined important fundamentals of good play and teamwork.

Archery

Archery was learned by beginners during posture classes in the spring and fall. Skill in making a bullseye required much practice and patience.

Tennis

Tennis instruction for beginners was offered in daily classes during the fall season. Advanced classes and a tennis tournament attracted many girls in the spring.

Badminton

Badminton, even on the breeziest fall days, was played by girls in posture classes. There was good opportunity to "hit the birdie" after school, also.

. . . Last All Year

Volleyball

Volleyball captured the interest of many girls during the winter quarter this year. It taught fundamentals of the game, and stressed the advantages of working together as a team.

Basketball

Basketball was a popular sport in the gym class as well as after school. Team play and good sportsmanship went hand in hand.

Softball

Softball climaxed the spring quarter with an after-school tournament. It was played in classes, along with speed-a-way, under the general title of Team Sports.

Speed-a-Way

Speed-a-way, a combination of hockey, football, basketball, and speedball, was offered during the spring quarter. Many girls eagerly participated in an interclass tournament.

Shadows lengthen during afternoon hockey practice.

The action during this year's hockey tournament was fast and exciting, but because of poor weather conditions a final game was never played, so the championship team was never determined.

The four captains pictured here represent the first, fifth-sixth, eighth, and tenth period teams, which participated in the only game of this single elimination tournament.

Girls from all years in school took part in the after-school games. Through actual practice they gained a better understanding of the basic rules they had learned in class.

Basketball was one of the many popular sports enjoyed by many girls during the year, both after school and in gym classes.

The Seniors showed their skill this year by winning the round robin tournament held after school. Teams participating in the tournament were chosen from girls who came out to the practices.

The girls learned the rules and fundamentals of basketball in the gym classes. They held practice sessions and gained the basic understanding of the games by splitting into teams and playing against each other.

Swimming for speed was the goal of the Girls' Swimming Team. Two nights out of each winter week the thirty members practiced after school in preparation for the postal G. A. A. State Meet. On April 28 the team was hostess to the first swim playday at Oak Park and River Forest High School.

Volleyball Team

Volleyball in the gym classes is handled in a similar manner to basketball. After the basic rules are explained, and such skills as serving and assisting are accomplished, the girls are named to teams and play against each other in games.

The highlight of the annual interclass tournament was the final game between teams from periods two and five-six in which the period five-six team was the victor.

The Freshmen and Sophomores tied for first place in the after-school tournament.

Tennis featured the only girls' team to enter active competition with other schools this year. At Tuesday night practices in the fall and spring the girls challenged each other for positions on the rating "ladder." The top ranking members played in the interschool matches, emerging with a fall record of one win and two ties.

Archery Team

BACK ROW—McCracken, Brenner, Osgood, Pickett, Albright, Nelson. FRONT ROW—Weismann, Kaska, Houck, Reiss, Collor.

Many girls practiced Archery at both the beginning and advanced levels. The more experienced members of the archery team met on Tuesday nights after school. The highlight of their fall season was the annual postal tournament in which the girls showed their skill in competition with teams from twenty-five other schools.

Resuming practice again during the spring quarter, the archers found plenty of opportunity to review and improve on important fundamentals.

Marion Eggers rolls a strike!

Bowling was the weekly pastime of fifteen to twenty girls during the winter season, November through March. The scene of this activity was Lorimer's Bowling Alley in Oak Park, Tuesday nights after school.

This year the highest average belonged to Marion Eggers. The three highest games were credited to Marion Eggers — 181; Rosemary Irmis—146; and Penny Horsky—145.

Dance Production . . .

The curtain went up on this year's Dance Production at 8:00 p.m., on Saturday, March 24. The program began with a demonstration of classwork by the advanced Modern, Folk and Square Dance classes.

"Chicago" was the theme of the dance production then presented by the after-school dance group under the direction of Miss Mary Klement. In a series of nine dance sequences, the girls led the audience on a "tour" of the fabulous city that is our neighbor.

Debating Clubs . . .

Juniors and Seniors with good grades are permitted to belong to one of the five debating clubs and gain experience in public speaking and parliamentary procedure. In addition, the members enjoy law drills, extemporaneous speeches, and entertainment. High spots of the year include inter-club debates, teas, banquets, and a baseball game between Gavel and Forum. Typical debates have been on such subjects as our manner of electing the President, the honor system, and the voting age.

Upper classmen count participation in a debating club as a valuable and exciting part of their high school career.

Departmental Clubs . . .

Departmental clubs are those whose activities are related to subjects taken in school. A student who has a special interest in mathematics or music, for instance, can join a club which will let him delve more deeply into those subjects.

Besides learning more, the clubs' members enjoy themselves. Language clubs present programs of fun and instruction in one of the four languages offered in the academic program. Often clubs complete major projects. For example, at Christmas time, Home Economics Club sews the stockings that the school sends to Children at the Chicago Commons. Science clubs take tours to see, first hand, places that interest them. This year Physical Science Club saw a demonstration of liquid air.

Clubs meet every week during the first two grade periods of the semesters, and busy students find time for all the many activities.

Picking the play is important.

Drama Clubs . . .

Many Sophomores, eager for fun and acting experience, and Juniors, play-conscious also, join Masqueraders and Footlights.

These clubs provide chances for acting and producing plays, as well as opportunities for learning about Drama. Here valuable experience is gained for background in school productions.

This year, Footlights gave a hilarious comedy called "Overtones" for one of its meetings, and Masqueraders showed their skill in a talent show. During the year the clubs heard various speakers on dramatic arts and saw a demonstration of makeup techniques for the stage.

Hobby Clubs . . .

Among the many clubs at Oak Park and River Forest High School there is a small group, the Hobby Clubs, in which people who share the same pastime can get together and enjoy their common interest.

For boys and girls interested in photography there are the Boys' and Girls' Camera clubs. People who enjoy stimulating mental recreation find an opportunity for this pursuit in the Chess and Checkers Club. The Radio Club, with its own station and call letters, provides a meeting place for the "ham" enthusiasts. Story Club brings together people who delight in creating and reading their own stories.

Dick Schnedorf and Ron Goldman tune in at Radio Club.

Small Change adds up to **BIG** savings

Funny thing about savings . . . when you just sit back and think about the amount you could set aside regularly, it looks like small change. But after you've started, it seems like no time at all before the balance in your book looks BIG.

Yes, it's getting started that really counts . . . not how much you put away. So we're happy to open an account for you with as little as one dollar. That's all it takes to make Oak Park Trust *your* bank . . . we don't pay interest on a dollar. It takes $33.00 balance to earn interest . . . and to have the prestige of a respected reference. It pays to bank where *complete* banking services are available when you need them.

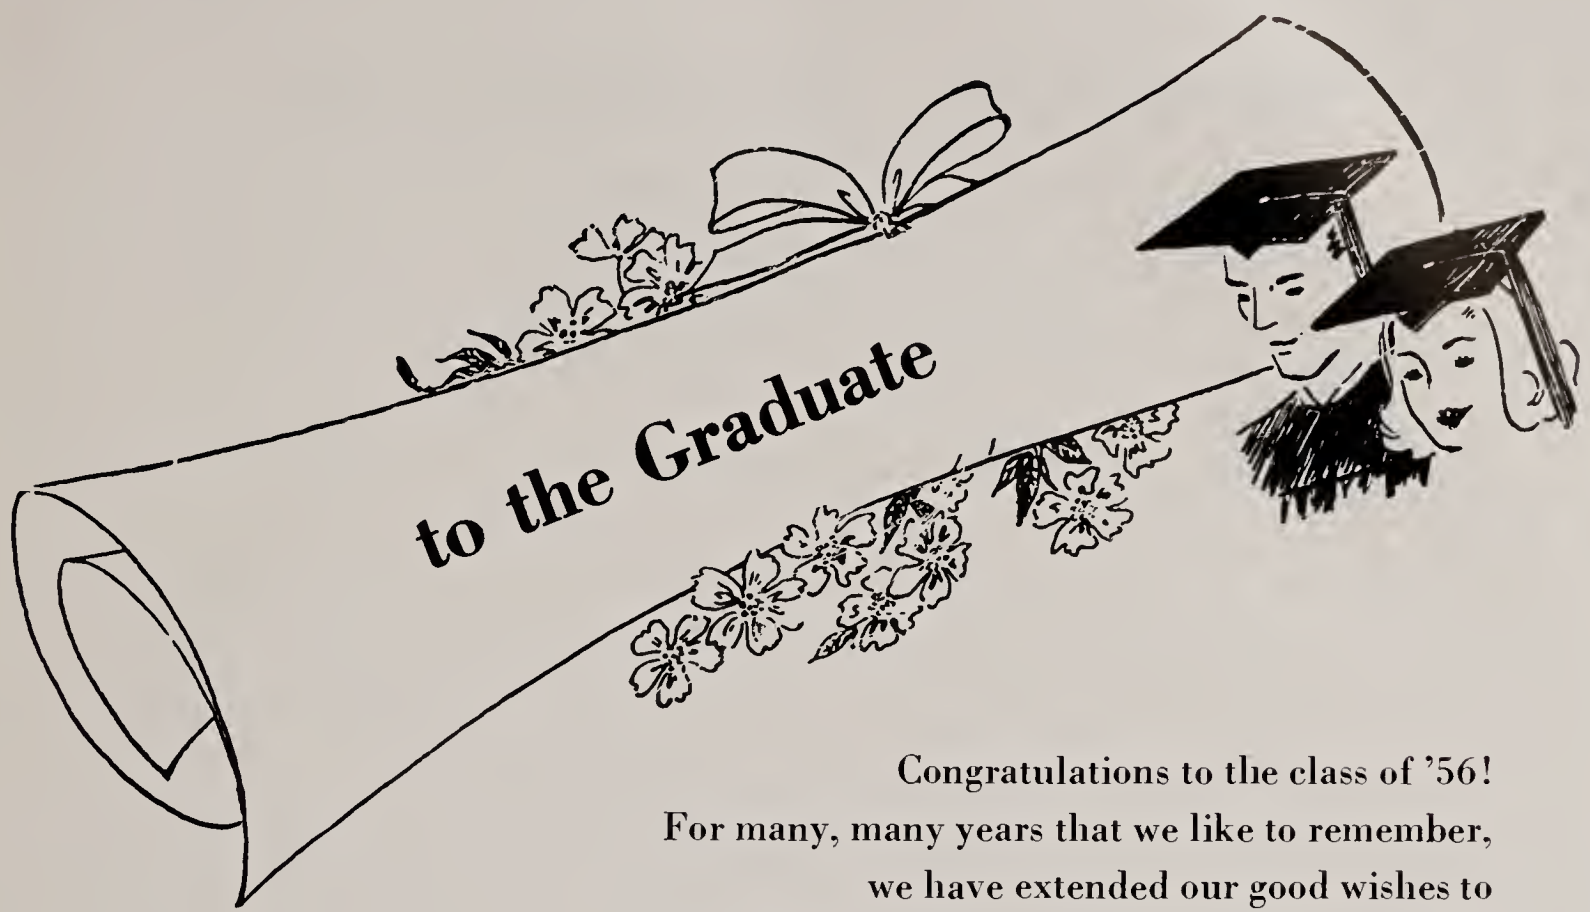
TO THE GRADUATING

SENIORS



Congratulations to the class of '56!
For many, many years that we like to remember,
we have extended our good wishes to
graduating classes . . . have had the pleasure of
serving a large number of its members as
each has found his niche in this community.
Gilmore's is proud to be a part of the community
. . . we've watched it grow and have grown
with it. Just as you have ideals for its future,
we hope to continue to serve it well in the years
that lie ahead.

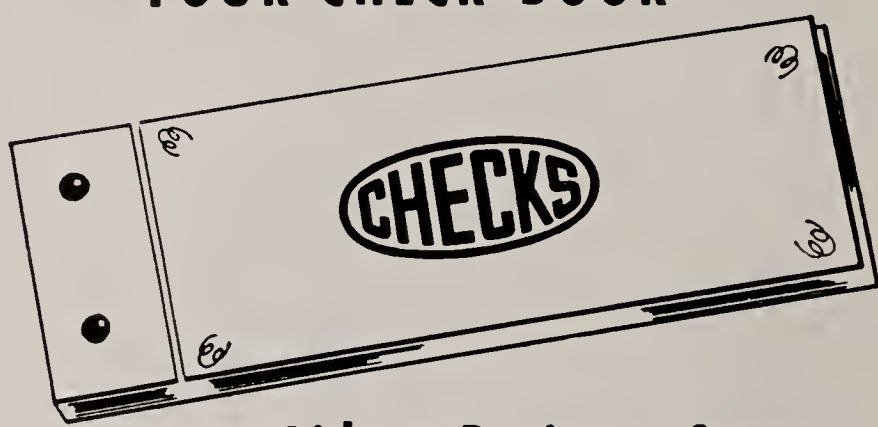
YOUR CHECK BOOK



An Aid to Business Success

Your check book helps you to business success in two ways: (1) You learn to handle your financial affairs in an orderly manner; (2) Every check you write tells the people you deal with in the business world that you have a banking connection, which adds to your credit standing.

When you also consider the time and effort saved in paying bills by check and the insurance it provides against paying bills twice, you realize that you would be handicapped without a checking account.
